Fall 2026, Winter & Spring 2027

Artwork by Guneev (age 13)

Congratulations to the winner of our Anti-Racism Art Contest!

We recently asked children and youth to draw their ideas on an anti-racist Winnipeg in order to encourage them to be creative, express themselves, and share how to be inclusive through art!

The cover of this Priceless Fun brochure features the winning artwork, submitted by Guneev (age 13).

Winnipeg is located in Treaty One Territory, the home and traditional lands of the Anishinaabe (Ojibwe), Ininew (Cree), and Dakota peoples, and in the National Homeland of the Red River Métis. Our drinking water comes from Shoal Lake 40 First Nation, in Treaty Three Territory.

The City of Winnipeg's vision is to be a vibrant and healthy city which places its highest priority on quality of life for all its citizens.

We aim to provide welcoming and inclusive spaces and programs, and invite all individuals to participate together, building experiences and social connections.

Honourable mentions:

Jenny

Pragathi

Honourable mention goes to Jenny (age 11) and Pragathi (age 8). Their artwork will be featured on screens at recreation facilities.

Great job, everyone!

- 3. Play**—supports the enthusiasm of children for exploring ideas on their own
- 4. Mastery**—discovering success and the feeling of being good at a skill
- 5. Participation**—creating environments that maximize learning, growth and physical activity

We also follow the three design guidelines:

1. Developmentally appropriate activities
